Looking for a way to make your bar or bat mitzvah celebration have a lasting impact?

Yeah!
How can I do that?

It's simple! 1. Open your OWN charitable fund
2. Learn about different charities and organizations that make a difference in our community
3. Support the charities and organizations of your choice each year

Can I really make a difference?
I am only one person!

Of course! You can make distributions every year from your fund, but you can also volunteer your time with other B'nai Tzedek teens

This sounds awesome! Where do I sign up?!

Together, we can make a lasting impact...

I realize how lucky I am to grow up with good health, a supportive and loving family, and the ability to pursue my dreams. I know that everybody is not as fortunate as I am. I have set up my tzedakah fund in order to give back to people and programs that I feel a personal connection to.

It feels really good to do something for others. You should join B'nai Tzedek because it's a really meaningful program. It's something that will stay with you for the rest of your life, and it's really important to give back to the Jewish community and to Israel.

Joining B'nai Tzedek and setting up a fund was a great decision. I quickly realized how important it is to donate and volunteer my time. Each and every year, I take time to think about what has been affecting my life or others around me, and then decide how I want to make an impact. Together, B'nai Tzedek teens have provided opportunities for underprivileged kids in sports like soccer, dance, basketball and gymnastics; helped Holocaust survivors and vulnerable communities in Toronto and Israel; sent kids to camp, and the list goes on.
