

DONOR ADVISED FUNDS

A thoughtful way to support charities of your choice

A Donor Advised Fund at the Jewish Foundation of Greater Toronto allows you to manage your charitable giving. You can support the charities of your choice through your fund.

A Donor Advised Fund allows you to set aside tax-deductible dollars now and enjoy growth for future philanthropy. Your fund creates a formally structured vehicle for charitable giving and enables you to recommend which initiatives and organizations will benefit from your donation.

Easy to open, a Donor Advised Fund offers significant financial and tax benefits, and simplifies future giving. With a \$10,000

minimum, it can be established through a gift of cash, appreciated securities or capital property.

The Foundation administers the fund, writes all cheques and makes distributions in the fund's name, or anonymously if you prefer.

The assets of the Donor Advised Fund grow tax free. Since the fund is a component of the Foundation, all the gifts are considered gifts to a public charity, qualifying for all the favourable tax rules which apply to public charities.

Please consult your tax or estate planning professional to determine what is best for you.
